

# Port Clyde Fresh Catch

PRODUCT OF PORT CLYDE, MAINE

## Port Clyde Fresh Catch 2012 Summer Seafood Community Supported Fishery (CSF) Program

### For Crystal Spring Farm

---

Pricing for this location is outside of our local daily delivery range, there is a small delivery fee of \$3.00 per week added in. Cost 25.00 per week 10 weeks, total \$250.00. We will need a minimum of 10 shares sold at each of these locations to cover delivery costs.

Shares will be 2# of fish fillets per week in 1# packages, catch of the day of these species, Cod, Haddock, Pollock, Hake, Sole, Flounder, Monk fish, Acadian redfish.

Any Halibut shares will be slightly smaller due to higher prices for halibut.

We may substitute a variety of fish, Crab, Lobster, Frozen Maine shrimp, Squid, in varying amounts due to pricing differences, depending on fish availability that week.

We may substitute frozen shares if fishing is not possible due to bad weather.

We intend to provide fresh fish every week weather permitting.

We are only offering full 10 week shares, partnering with other folks is encouraged and welcomed if you do not want the full 10 weeks. You are responsible for collecting your share each week.

---
